

HARD ARMOR

WARRIOR ARMOR® 5.9LB LEVEL IV HARD ARMOR PLATE

DOMINATION SERIES

Our multi-shot capable Level IV hard armor plate is NIJ 0101.06 certified. Our most capable ceramic and composite hybrid armor plate defeats the 30-06 AP (US Military M2 AP) and all lesser steel core and armor piercing ammunition threats. Unlike current US Military issued ESAPI plates, our plates offer standalone protection and are compatible with common tactical plate carriers.

+ All Lesser Threats

FEATURES

- Advanced composite materials and ceramic
- Multi-shot capable
- Ergonomic Quadcurve®
- Edge to edge protection
- Lightweight comfort
- Certified NIJ 0101.06
